Re: Guest Lecturer – PHT 6915 – Prosthetics and Orthotics

To whom it may concern,

Kevin S. Garrison presented a guest lecture on "Prosthetic Management of the Amputee and Psychoprosthetics" on June 15, 2017, for a total of 3 hours, at Nova Southeastern University's Health Profession Division, College of Health Care Sciences. This lecture was delivered to entry-level doctoral physical therapy students as part of their course PHT 6915, Prosthetics and Orthotics. As the course leader, I certify that the lecture was delivered as described above and covered the aforementioned topics; my contact information is provided below for verification.
