Re: Guest Lecturer - PHT 6915 - Prosthetics and Orthotics

To whom it may concern,

Catheline Garrison presented a guest lecture on "Prosthetic Management of the Amputee and Psychoprosthetics" on June 18, 2013, for a total of 3 hours, at Nova Southeastern University's Health Profession Division, College of Health Care Sciences. This lecture was delivered to entry-level doctoral physical therapy students as part of their course PHT 6915, Prosthetics and Orthotics. As the course leader, I certify that the lecture was delivered as described above and covered the aforementioned topics; my contact information is provided below for verification.
